

Eat Downeast! is a campaign to connect eaters with Washington County food Producers. Savor the flavors unique to this region, from Maine's famed shellfish and seafood to wild blueberries and cranberries, organic produce, freshly-baked breads, pies and more. Use this Eat Downeast! map to find and support over 140 small businesses that make life delicious! Want to use GPS? Scan the code below, or visit our website to find our digital version, complete with addresses, contact information, and new local food producers being added all the time!
